

### **Formation Finish - Le Mans 1966**

Sparing no expense, Ford scored an historic victory at Le Mans in 1966. The Shelby-American entered GT40 MkII driven by Chris Amon and Bruce McLaren was declared the winner, breaking the 3000 mile/125mph barrier for the first time. The image shows the winning car as it passes through White House corner on the final lap with the second and third placed cars.

Edition signed by Chris Amon.
